Direct Ship Orders

Direct Ship orders are still available through M2 for Girl Scouts needing just a few more sales to meet their goal, or to help a troop reach their proceeds goal! Direct Ship orders are available until November 12. We know that the shipping costs are high for nuts and candies due to the need to ship them over night and on ice, but the BarkBox has a flat rate shipping cost – even to Alaska. Magazine prices also include mailing, and some are even available digitally right away! These are great options for Girl Scouts wanting to make a few more sales in November.

Amazing BarkBox Popularity!

Due to the amazing popularity of the Girl Scouts mini Bark Box, Girl Scouts have sold all of the first run of production! Bark has agreed to produce a second run of the mini Bark Box, which will ship in February. The delayed shipping will not impact Girl Scouts earning rewards or troop proceeds being disbursed.
