Cookie Program News

Council Cookie Cupboard is Open

The council cookie cupboard is open seven days a week 9am to 5pm. If you are local to the cupboard, please place your order on eBudde. If you are in a rural area hoping to be re-stocked, please reach out to the council and we will place your order once we have arranged shipping.

Booths Available for Sign-up

As troops release booths, they immediately become available for sign-up to all troops. If your favorite location was taken in January, check again because it may be open now!

Girl Orders Tab

Don't forget to keep your Girl Orders tab updated! Any Girl Scout with a negative balance needs more cookies assigned to her. [See this training](#), page 25 in the Troop Cookie Manual, or contact council if you need assistance.

Decorate and Elevate

Join the Decor Corps and decorate your cookie booth this March! Girls are encouraged to construct fun and creative booth designs! Our two themes this year are Decorate and Elevate (general) and Own Your Magic. Email photos of your fabulous booths to customercare@girlscoutsalaska.org and get ready to vote at the end of the month on your favorites! Winning troops will earn Decorate and Elevate patches.

Release your Booths if Your Troop Can't Make It

If your troop cannot attend a cookie booth you had signed up for, please release the booth in eBudde! This takes the booth off of the cookie finder so the public isn't expecting to see Girl Scouts at that time. You can release a council booth up to one minute before the booth begins!

Toffee-tastics

Our baker has let us know: Toffee-tastic will be turned OFF for Digital Cookie direct ship for the remainder of the season.

Anything Else?

We want to tell your story! Send us your pictures today! We want to see your Girl Scout Troop in action! We would love pictures of all the adventures your troop is participating in. Please send pictures, with parent's permission, to customercare@girlscoutsalaska.org. We use these pictures on social media and in publications like the troop cookie manual!
