I have read and agree to abide by site rules, Safety-Wise and Girl Scouts of Alaska policies regarding the type of activity outlined in the Site Reservation Form. Orientation to the camp's safety procedures and regulations will be provided upon arrival. I am responsible for the supervision and behavior of my group and to ensure their compliance with these policies. If my group fails to abide by these policies or directions from the Camp Ranger, the Camp Ranger may at his/her discretion terminate this agreement and require individuals/group to vacate camp. I have enclosed the necessary site use fee and will fill out a site evaluation form at the end of my stay. I also understand a cancellation seven days before my stated arrival date means I forfeit my \$25 deposit (unless cancellation is due to weather).
