SUMMER CAMP 2012
FOR GIRLS

Operated by Girl Scouts of Alaska.
Open to all girls.

Welcome to the wonderful world of Girl Scout camp!

Our camps are **open to ALL girls**, regardless of whether they are current Girl Scout members or not. Girl Scouts builds girls of courage, confidence and character who make the world a better place. Girl Scout camp programs are designed so that girls discover the world around them, connect with other campers and take action in their own lives and communities. That's what leadership is all about!

American Camp Association (ACA)

Camp Togowoods and Girl Scout Day Camp at Singing Hills are accredited by the American Camp Association (ACA). We are proud to be Alaska's only accredited camps just for girls, meeting standards for health and safety, staffing, and program quality. ACA reviews every facet of our operation. Our ACA trained directors oversee all camp programs operated by Girl Scouts of Alaska. For more information, visit the ACA website at www.acacamps.org.

Dear Families,

We had a magical time at camp last summer. We sang songs, played games and got to know each girl who came to camp. The phenomenal thing is that beneath the laughing, the fun and the friendship of camp, **vitaly important growth** happened.

Interwoven in those fun camp are life lessons about teamwork, bravery, courage, strength, independence, self-respect, cooperation, responsibility, inclusion and communication. These life skills are the true value of camp. Memories of giggling in tents and singing around the campfire are nice but the things that have a lasting impact are those things you have to look past the smiles and dirt to see... the **courage, confidence and character of a leader.**

As you look through this year's camp catalog you'll notice that some camp fees have gone up modestly. The true cost of camp is approximately twice as much as our camp fee. We subsidize our programs in order to make sure camp is available to every girl. Even with the subsidy, due to the rising costs, camp fees needed to go up this year. However, there is good news! **Cookie credits and camperships are still available** (see page 17 for details).

The true value of camp is priceless. The skills a girl gains from a camp experience are endless, and will serve her for the rest of her life. Check out our "Girls Camp Goals" for the specific ways we help campers grow.

In 2012 Girl Scouts of the USA celebrates its 100th anniversary, and is also declaring this the **Year of the Girl.** During year of the Girl, we'll bring attention to girls as an untapped resource who can meet the world's leadership needs and make the world a better place. We know that when girls succeed, so does society. And, camp can be the experience that helps make that happen. Together, we can help our girls realize their dreams.

We hope your daughter will join us this summer.

Amanda Block
Statewide Camp Director
Girl Scouts of Alaska

Goal 3: Campers will learn relationship and community living skills.

Outcomes: Girls will learn to work as a team, have a sense of belonging with others and learn how to make new friends.

VISION AND PHILOSOPHY

Our Vision

Our camps are committed to creating a community that helps campers unlock their potential and discover the world, while developing life skills.

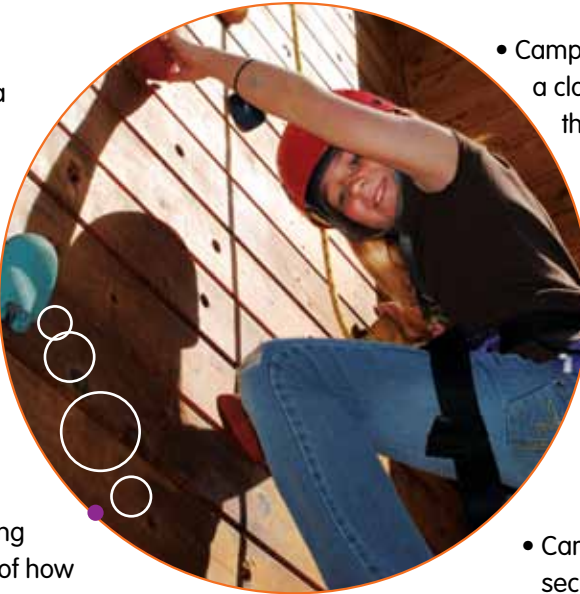

Our Program Philosophy

We believe that everything that happens at camp is program, from cleaning the latrines to paddling a canoe. In our safe and supportive environment girls become active participants in the learning process as counselors guide them in not only having fun but understanding the importance of how and what they are doing.

Why camp is important

We believe camp and childhood go together just as well as peanut butter and jelly. Summer camp is not only tremendously fun but is vitally important. Here are just a few reasons camp is so important.

- Camp presents a remarkable opportunity for your camper to widen her horizons, make new and lasting friends, and discover new strengths.
- The true payoff of camp will be apparent when your camper comes home more self-reliant, self-sufficient, and self-confident.
- Camp is a place where girls can “practice” growing up by stretching their social, emotional, physical and cognitive muscles outside the context of their immediate families.

- Camp creates future leaders. At camp girls get a close-up look at compassionate leadership through the camp staff. And, girls get loads of opportunities to practice being a leader themselves by voicing their feelings, making individual choices, and negotiating group decision making.
- Camp offers challenges that are real and that require a sustained effort to master. The sense of accomplishment girls get from mastering those challenges is real and enduring.
- Campers develop a personal sense of security and self confidence that will help them be comfortable in their own skin for the rest of their lives.

- Camp embraces the natural environment and allows girls to experience it.

A note about safety...

Nothing is more important than the emotional and physical safety of our campers. Our programs have been designed to allow campers to take healthy risks in a safe and nurturing environment. Our enthusiastic staff are chosen for their maturity, energy and ability to be a positive role model for your girl and receive extensive training before camp.

WELCOME TO RESIDENT CAMP!

General resident camp information

At resident camp every day is a chance to do something different, meet new people, and challenge yourself. With professional leadership, high quality staff and small camper groups with high counselor-to-camper ratio, resident camp will feel like home away from home.

Camper groups are generally made up of 8-12 girls and 2 counselors. Camper groups attend daily activities together. Special care is taken to ensure that each camper is given challenging opportunities along with basic skill-based instruction.

Camp Togowoods

Camp Togowoods is located on over 300 beautiful acres owned by Girl Scouts of Alaska along the shores of Three Mile Lake near Wasilla. It encompasses five ecosystems to explore, including our wetlands boardwalk. All Camp Togowoods campers enjoy: arts and crafts, nature hikes, environmental education, swimming, canoeing or kayaking, outdoor cooking and our 35-foot climbing tower (girls entering grades 4+). Campers sleep in platform tents (wooden floors, cots and mosquito netting) bringing the outdoors within reach. Campers have a sense of independence with the security of counselors living in an adjacent tent.

Located at Camp K in Cooper Landing, Camp Kenai Lake is the perfect place to swim, canoe, and do arts and crafts. Our experienced staff will work with girls as they explore nature, hike the trails and sing campfire songs. Girls will stay in cabins.

RESIDENT CAMP – WILDERNESS ADVENTURE PROGRAMS

Wilderness Adventure Programs

Wilderness trips take courage, confidence and character to the limit. In small groups, girls quickly learn to count on each other. You have to paddle or hike together or you don't get there. There is no one to do it but you, and you can do it.

Our trip programs teach girls outdoor skills. More importantly, our wilderness trips lay a solid foundation for leadership, teamwork, and self-confidence throughout girls' lives.

All trek programs spend time in remote wilderness areas and at many points on trail, groups will be more than two hours from professional medical care. Staff are trained in emergency back country procedures, carry satellite phones and at least one staff member is certified in Wilderness First Aid. All programs require a

properly fitted backpack, wilderness rated packable sleeping bag, and hiking boots. Campers should be able to carry a 20-30 lb. backpack and, for canoeing treks, share the weight of carrying an 80 lb. canoe for up to a mile over land.

All wilderness campers also experience all the fun of our Girl Scout Camp programs (page 10).

Check out the trip progression chart below to help you and your camper choose the right adventure. Parents and campers self-select the right rip level based on skills and grade level. For help, contact Amanda at the Anchorage office.

- Multiple girls from the same family may apply for camperships
- There must be a need for financial assistance (without assistance your camper would not be able to attend)
- Families are expected to pay the deposit fee (\$30). If families have difficulty paying the deposit, contact the council
- Campership assistance is awarded up to 90% of the camp fee, depending on family size and income

Cookie Credits:

If your camper sold Girl Scout cookies in the 2012 sale, every box she sold gets her one step closer to camp.

- 15¢ per box at day camp or 30¢ per box at resident camp
- 400 boxes equal a free session at day camp (or the 3 day Girl Scout Camp program)
- 600 boxes equal a free session (up to one week in length) at resident camp

For multiple camps, cookie credits will be applied to a girl's registrations in the order those registrations are received. Cookie credits may be claimed one time only. Credits may not be transferred from one girl to another and do not have cash value. Credits from the 2012 cookie program must be used by August 2012. Cookie credits are only good at Girl Scouts of Alaska camps. Families with product sales or camp delinquencies are unable to use cookie credits or apply for camp scholarships until their debt has been paid.

Other discounts (sister special)

When more than one girl in the same family attends camp, one girl is eligible for the Sister Special. The sister with the lowest camp fee will receive a 10% discount. This discount is only applicable once during the 2012 camp season.

Help send a girl to camp

If you would like to donate a registration to someone less fortunate, please add any amount to your payment on the online or paper registration form.
