

WELCOME TO DAY CAMP!

General day camp information:

Girl Scout Day Camp is a wonderful way to experience all the fun of camp and still return home each evening! With guidance from professional leadership and quality staff, day camp is a great place for girls to stretch their limits and widen their horizons. Camper groups are typically made up of 15-18 campers and two counselors. Girls are grouped by age.

Program Aide

Girl Scout Day Camp at Singing Hills and Girl Scout Day Camp in Juneau offer a Program Aide option for girls entering grades 7-12 in the fall. Girls can sign up for **one week** of Program Aide each summer. Girls must have completed a Program Aide workshop with Girl Scouts of Alaska prior to camp.

Program Aide Workshop

Girls will spend the day working on their leadership skills in a fun, interactive environment. This workshop is a prerequisite for girls wanting to sign up for a PA session at Singing Hills this summer. The workshop completes one of the three steps needed to earn the Program Aide Award. The PA workshop will be held on May 30 at Encampment at the Palmer Fairgrounds from 10am to 5pm (see page 6 for details). For girls attending a PA session at the other camps, workshop components will be incorporated the week of camp.

Bus information

Girl Scout Day Camp at Singing Hills and Juneau Day Camp, offer bus service to and from camp for an additional \$40 per week. Buses are supervised by camp staff. Buses leave as scheduled. A late fee will be charged to parents/guardians who arrive after the scheduled pick-up time.

Make sure to indicate your bus choice on the registration form.

Late fees

Parents/guardians who arrive after the scheduled time to pick up their child at camp or the bus will be charged the following late fees:

First five minutes	\$5.00
Six-ten minutes	\$10.00
Eleven-fifteen minutes	\$15.00
After fifteen minutes	\$20.00

Late fees must be paid at the time they are incurred. Late fees apply to Girl Scout Day Camp at Singing Hills and Juneau Day Camp.

DAY CAMP – GIRL SCOUT CAMP AT SINGING HILLS

Singing Hills is located outside Chugiak (Mirror Lake exit) on beautiful Edmonds Lake.

Girl Scout Day Camp at Singing Hills is based on the [Girl Scout Leadership Experience](#) –

- **Discover:** the leader inside yourself and the world around you;
- **Connect:** with others; and
- **Take Action:** to make the world a better place.

Each week of camp will focus on one aspect of the Girl Scout Leadership Experience. Every week of camp incorporates the “connect” leadership experience as girls work together as a team and with their counselors. **[Of course, each week girls will have a chance to try all the activities camp has to offer.]**

Program Aide Workshop

For information on the Program Aide Workshop, see page 5. Workshop will be held at Encampment on Thursday, May 30. Girls do not need to attend Encampment to attend the PA Workshop.

Discover: Girl Scout Camp

Come discover what Girl Scout Camp is all about! The Girl Scout Camp program gives girls a classic and timeless summer camp experience. Campers will try everything camp has to offer including canoeing, arts and crafts, a cookout, nature hikes and more. Some activities will be new, encouraging campers to stretch, and some familiar, reinforcing girls’ confidence in their skills.

Take Action

Girls will design their own community service projects and take action to make the world a better place. With the help of camp staff, campers will put their ideas into action and realize every person has the power to change the world.

Discover: Nature

Girls will explore the ecosystems of camp, hike trails, do environmental education activities and spend time getting to know their Alaska backyard environment.

Discover: STEM

Girls will explore each STEM topic (Science, Technology, Engineering, Math) in the camp environment with professionals in those fields. Girls will also learn about women who were STEM pioneers and imagine their own STEM future.

DAY CAMP - ONE DAY PROGRAMS

Girls attending Camp Singing Hills or Juneau Day Camp have the option of participating in a one-day program.

During her day at camp, your girl will discover the program topic through three hands-on activities as well as enjoy at least one traditional camp activity like canoeing or hiking.

Complimentary bus service from Anchorage and Juneau locations is included in the cost of camp.

Discover: Food Science*

Test how different ingredients affect food color, taste and texture, learn why bread rises and explore how taste buds work.

Discover: Physics*

Explore the properties of matter & energy in the world around you. Test your ability to create a device to see around corners, learn how to move an object without touching it and experiment with echoes.

Discover: Invertebrate Zoology*

Get an up close look at insects, butterflies, snails, worms, spiders, clams and more. Learn why invertebrates are important to our ecosystems, explore how camouflage works and test out different invertebrate survival adaptations.

*Activities listed may change depending on age of campers and presenter availability.
