

# Camp Credits

| Packages Sold | Camp Program  | Notes  |
|---------------|---------------|--|
| 1-449         | Day Camp      | OR<br>\$0.20/package sold to use toward Day Camp Fees                    |
|               | Resident Camp |  |
| 450-649       | Day Camp      | OR<br>Full week + an additional \$0.20/package sold over 450 packages    |
|               | Resident Camp |  |
| 650-899       | Day Camp      | OR<br>Full week + an additional \$0.20/package sold over 450 packages    |
|               | Resident Camp |  |
| 900+          | Day Camp      | OR<br>2 full weeks + an additional \$0.20/package sold over 900 packages |
|               | Resident Camp |  |

## Cookie Credit Carryover

Due to COVID-19 impacts, girls who earned cookie credits in 2020 will be able to use those cookie credits in 2021. Any cookie credits earned in 2021 that girls have remaining after 2021 will retain 50% of their value for the 2022 Girl Scout year

Notes: Camp Credits generally may not be transferred from one girl to another and do not have cash value. Families with Product Program or Camp delinquencies are unable to use cookie credits or

## Encampment Credits

Troops can apply credits from the entire troop's cookie program to Encampment. If used for Encampment, credits are worth \$0.10 each for troops on the road system, and \$0.15 each for troops off the road system.
