

Virtual Cookie Booths!

Is your Troop interested in creating a Virtual Cookie Booth?

Follow the below steps to get started.

1. Have your girls create a short video or create a graphic that details what the Troop plans to do with their Funds.
2. Also highlight the Troop Gift of Caring. If the Troop does not have one yet, we suggest creating one in support of Alaska's First Responders during this crisis.
3. Create a Facebook event and invite friends and family. You are also welcome to have others share the event on your behalf.
4. Most customers will want to pay by credit card. If your Troop would like the Digital Cookie In-Person Delivery on, just let Council know!
5. Do not post the Digital Cookie link, send it directly in an email or message to the prospective customer.
6. We also suggest you have a current Sage account to take credit card payments over the phone. Don't forget "Cookies in Hand" through Digital Cookie!
7. Make sure to alert customers that there may be a delay in delivery until social distancing and quarantine are over.
8. Check out the Social Media Guidelines found on the GSAK website.
9. Once your event is created, please email a copy of the link for final Council approval to gsakproductsales@girlscoutsalaska.org
