

# Fill Your Troop (FYT)

September 1-30, 2021

We know that many of you are still determining your plans for the 2021-2022 school year. We're moving the FYT campaign to September to give you more time to organize for fall and still receive the benefits that the FYT program offers. If your troop has met the FYT requirements before September you will also receive the below incentives.

## Here's how to qualify for Fill Your Troop incentives:

**Troops that renew or register at least  
2 Troop Leaders and 7 girls will earn:**

- Extra 5 cents per box sold during the 2022 Cookie Program
- Extra 10 cents per item sold during the 2021 Fall Product Program

**Troops that renew or register at least  
2 Troop Leaders and 12 girls will earn:**

- Extra 5 cents per box sold during the 2022 Cookie Program
- Extra 10 cents per item sold during the 2021 Fall Product Program
  - Girl Scout face mask
  - AND either:

Badge kit and DIY cupcake party for the troop, OR  
Free registration for a virtual event of the troop's choice this year.

We're here to help. We have invitation templates you and your girls can use. Girl Scouts of Alaska will also be recruiting and placing girls throughout the fall and winter by working with schools, holding recruitment events, advertising on social media, and more.
