Authorization for Medical Treatment for Adults

If you need medical or dental attention, you must give permission. For those times when it will be hard to contact your family, you can give permission to other adults. They can then act for you in permitting medical or dental care for yourself when family is not available. This is a legal document. With it, you may appoint other adults to act for you. *This document will be kept with the responsible adult.*

You and an adult member of your family (spouse, parent, child over the age of 18) must sign the authorization form, which **MUST** be notarized.
