

Girl Scouts of Alaska Confidential Financial Assistance Request

Financial assistance (FA) provide girls with the opportunity to join Girl Scouts and participate in council sponsored events. Guidelines for receiving financial assistances are:

- Any girl may apply. Multiple girls from the same family may apply.
- There is a need for financial assistance. Need is defined that without assistance your daughter would not be able to have a Girl Scout experience.
- Financial assistance is awarded up to the full amount of Girl Scout registration or event fee, depending on the need. Families are asked to pay what they can. If families have difficulty paying a portion of the total cost, contact the Anchorage office.

How do families request Financial Assistance?

Attach completed FA request to Girl Scout or event registration form with payment your family is able to afford and submit to Anchorage office. You will receive email notification of financial assistance.

Please Note: Request for financial assistances for our camp programs is completed separately. Applying for FA for Girl Scout registration, council service fee, or events will not impact your eligibility for a camp scholarship.
