

Money Earning Activity Request Form

Product sales are the primary way to earn the funds necessary for girls to travel or carry out Take Action projects. If girls would like to earn additional funds for Girl Scout activities, they have more options available.

This form should be completed and returned to council at least two (2) weeks prior to the planned date of the money earning activity. Examples of money earning activities include: collections/drives, food/meal events, services, selling of homemade goods.

Please read the Money Earning section of the Volunteer Essentials to review the financial abilities of girls by grade level, and to review our guidelines.
