

# Rural Alaska Day Camp Employment Opportunities

---

## The Staff Team

Being part of the camp team means joining a community that works together to achieve one common mission – to help every girl who attends camp develop courage, confidence and character to make the world a better place! You'll work with people from a wide variety of backgrounds who are united around this mission and who hold themselves to extremely high standards in order to accomplish it.

## General Staff Qualifications (for all positions):

- Possess excellent character
- Accept supervision and act on feedback
- Exert enthusiasm, patience and understanding
- Are able to work with kids for several hours on your feet without a break
- Inclusively relate to and work with a wide range of peers
- Work from a place of positivity and are solution oriented
- Have current First Aid/CPR certification (or can obtain it before the start of the camp season)

## Dates:

May 21 through August 12, 2019

## Positions Available: Counselors

(starting at \$9.89/hour – \$300/travel\* \*Travel stipend available for staff traveling to Alaska from out of state.)

You'll work with a staff partner to plan and deliver outdoor activities to girls ages 5-18. Staff work either in rural villages throughout the Yukon Kuskokwim Delta region of Alaska or in rural villages and small towns throughout Southeast and Southcentral Alaska. Group size varies by community from 20-60 girls. The program is a traveling day camp where staff fly between villages in small planes or car (in Southcentral). You'll create and lead original, age appropriate activities that totally engage your campers. You'll supervise all aspects of your campers' day. Some common camp activities include environmental education, arts and crafts projects, team building activities, STEM activities and cultural activities (you'll work with local adults to incorporate these). You must be at least 18 years old.
