

Singing Hills Employment Opportunities

The Staff Team

Being part of the camp team means joining a community that works together to achieve one common mission – to help every girl who attends camp develop courage, confidence and character to make the world a better place! You'll work with people from a wide variety of backgrounds who are united around this mission and who hold themselves to extremely high standards in order to accomplish it.

General Staff Qualifications (for all positions):

- Possess excellent character
- Accept supervision and act on feedback
- Exert enthusiasm, patience and understanding
- Are able to work with kids for several hours on your feet without a break
- Inclusively relate to and work with a wide range of peers
- Work from a place of positivity and are solution oriented
- Have current First Aid/CPR certification (or can obtain it before the start of the camp season)

Season Dates:

May 21 through August 12, 2019

Pre-camp training at resident camp (staff may reside at camp for training)

Positions Available:

Counselors (starting at \$9.89/hour, salary DOE)

You'll work with a staff partner to plan and deliver outdoor activities to a group of 8-12 girls whom you supervise. You'll create and lead original, age appropriate activities that totally engage your campers. You'll supervise all aspects of your campers' day including meals, rest hour, and programming. Some common camp activities include canoeing, environmental education, arts and crafts, hiking, and STEM programming. You must be at least 18 years old.
