

Virtual Troop Meeting & Event Permission Slip

Troop# [] will be meeting virtually during the 2021 Girl Scout Membership Year. We will be following the [internet](#) and [virtual meeting](#) safety protocols laid out by Girl Scouts of Alaska and Girl Scouts of the USA.

- Girls will take the [Internet Safety Pledge](#)
- No meetings will be recorded unless approved by GSAK
- We will use private/password protected virtual meeting spaces
- We will have at least 2 unrelated adults attending (current Girl Scout members with valid background checks)

Just like during in-person meetings, girls will be expected to follow the [Girl Scout Promise and Law](#); listen to and follow instructions; and be respectful of their fellow Girl Scouts.

My child [] has permission to participate in Virtual Meetings and Events.

I give the Council permission, for Girl Scout related purposes, to use photos or videos of my child participating in Girl Scout activities or accepting Girl Scout Services.
