### Fall Product Program news

#### Amazing BarkBox Popularity!

Due to the amazing popularity of the Girl Scouts mini Bark Box, Girl Scouts have sold all of the first run of production! Bark has agreed to produce a second run of the mini Bark Box, which will ship in February. Customers will see the following message when placing any orders for the BarkBox from now until the end of the season. The delayed shipping will not impact Girl Scouts earning rewards or troop proceeds being disbursed.

#### Opting out of Rewards

Troops can opt out of physical rewards during the Fall Product Program in exchange for additional troop proceeds. This must be a unanimous decision led by the Girl Scouts. Troops who opt out of rewards receive an additional 3% of the retail price of the products as troop proceeds. (12% base proceeds, plus 3% opt out, for a total of 15% troop proceeds) Girl Scouts will still receive the patches if the troop opts out of rewards. [If your troop is choosing to opt out of rewards, this must be done prior to the order submission on October 17.](#)
