Fall Product Program news

Access M2

Volunteer access to M2 is open! You received an email from M2 on Monday granting you access to the Admin/Troop Leader portion only. Parent/Guardian/Caregiver access will not open until Friday, September 15. If you did not receive this email, please check your spam/junk/promotions folders in your email, before contacting council. If you were a troop leader or product manager for your troop last year, your login credentials will be the same this year as they were last year.

Girl Scout and adult access to M2

Queue the Parent Adult Email Campaign for the Girl Scouts in your troop to login on Friday! If you don't queue this email, the Girl Scouts won't get their login emails until Saturday. Girl Scouts may start taking orders through the website and on paper order cards beginning on Friday!

New Products!

Girl Scouts will have a Tervis Tumbler storefront this year to sell a selection of products from the existing Tervis line up. Girl Scouts will earn 12% of the retail value of these sales as troop proceeds. The sale of any tumbler will count towards a girl's magazine count for rewards!
