Cookie reminders

Login to eBudde

Troop leaders, cookie managers, and co-leaders are all able to login to eBudde now. The original login email goes to spam/junk mail almost every time. If you accessed eBudde last year, you can login with your same email and password. If you are new to eBudde, or forget your password, you can set or reset your password [here](#), this works even if its your first time logging in!

Troop Readiness Bonus

Earn an extra \$0.05 per package by being ready for cookie season! Designate a troop cookie manger (or more than one), sign the 2024 troop cookie manager agreement (do this by logging in to eBudde), and complete your cookie training on gsLearn.

Cookie training is available on gsLearn! Be sure to complete the gsLearn series if your troop is hoping to earn the Troop Readiness Bonus of an additional \$0.05 per package this season! Note: once you have completed all the modules, a staff member must check off that you have completed them in gsLearn for the entire course to show as complete. We check for completed accounts several times a day.

Permission Forms

With the new all-in-one permission from this year, Girl Scouts do not need a special permission form for cookie season. However, please check that every girl has permission marked on the new form to participate in cookie sales. If you need more permissions forms, they can be found [here](#) or [on our website](#).

Anything else?

The Anchorage office will be closed from December 23 to January 1. We will be back in the office on January 2.
