En route means that your cookies are with the transportation company (either Lynden, AML, Northern Air Cargo, or Frontier Freight) being transported, but we do not have an arrival date yet. We will do our best to keep service unit cookie managers updated, but often the transportation company will reach out to you before us.

Once your cookies arrive, please report any issues to council immediately. This may include damages and/or incorrect counts. The faster you let us know, the faster we can correct the problem.

The council cookie cupboard will open on March 2, or before, depending on the day the cookies for the cupboard are delivered. The MatSu Valley cookie cupboard will be closed from February 29 to March 3 due to volunteer availability. Please plan accordingly.

Questions about the cookie cupboards in Homer, Kenai/Soldotna, and Juneau can be directed to Tina, Michelle and Leah, and Kimberly respectively. If you do not know who to reach out to, please contact council and we will connect you to the correct person.

If you are in a community without a cookie cupboard and you need more cookies, please reach out to council via phone or email. We will arrange freight and then place the cupboard order through the council. Please do not place an order to the council cupboard unless you have a volunteer coming to Anchorage to pick them up.

Troop Booths

Don't forget, any cookie booth secured by a troop must be entered into eBudde as a troop booth! This allows us to advertise your booth to the public, as well as ensures that your booth is covered by our insurance. Directions for entering troop booths can be found on page 23 of the Troop Cookie Manual.

Digital Cookie Tech

Digital Cookie is experiencing some delays in updating Girl Scouts' dashboards. This is only impacting the data displayed on the homepage, not the actual data itself. The flow of information between eBudde and Digital Cookie is running smoothly and is not connected to this delay at all. You might notice the delays more on busy weekends when there is a lot of cookie activity happening at booths. But rest assured, the delay in data is just a delay, it is not impacting the function of the site.

Toffee-tastic Cookies
Our baker has let us know that Toffee-tastic cookies are on track to be turned back on for Direct Ship orders by the end of the week.

First ACH – March 15

On March 15, council will automatically withdraw the amount your troop owes from the troop bank account. The amount your troop owes is available on the "Sales Report" tab on eBudde.

What to Remind Caregivers

It might be time to start scheduling your Girl Scouts for booth dates, times, and locations if you haven't already started.

Your Wellness Puzzle

Now is a great time to help your girls think about the goals they set for how many packages they are going to sell. Work with your girls and try the "Re-Evaluate Your Cookie Goals" activity from Your Wellness Puzzle patch. Learn more about this activity and others [here!](#)

Anything Else?

Send us your pictures! We want to see your Girl Scout Troop in action! We would love pictures of all the adventures your troop is participating in. Please send pictures, with parent's permission, to customercare@girlscoutsalaska.org. We use these pictures on social media and in publications like the troop cookie manual!
