Fall Product Program News

The Fall Product Program is an easy, fun way to earn startup funds for your troop's activities at the beginning of the Girl Scout year. Don't miss out on all the fun! Here is the latest news for how to participate.

Start Day!
Remember Friday, September 13th all Girl Scouts can begin Fall Product Program sales. Remind them to set up their storefront and create an avatar through M2. Avatars can be as creative or simple as they like. Girls can have fun expressing themselves by creating their avatar.
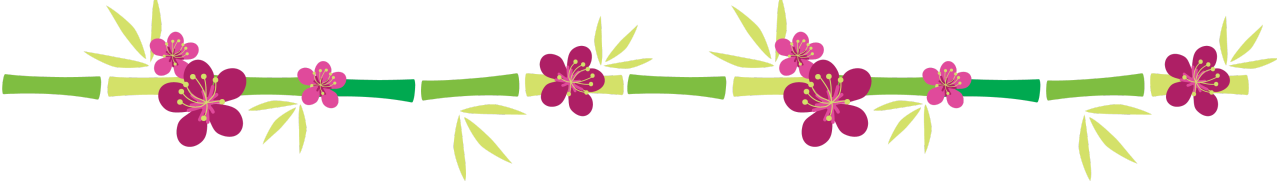

*Reminder to troop leaders that girls have to be registered for 2025 to participate in FPP.

Theme/Mascot
In case you did not hear, the Fall Product theme for 2024 is 'Embrace Possibility,' and the mascot is the Asian Elephant. Our annual mascot naming contest will launch next week, Monday, September 16. Encourage your Girl Scouts to put on their thinking caps to come up with some creative naming ideas. Be sure to visit our Facebook page next week for contest details and to meet our long-awaited guest star, the Asian Elephant!

Materials
Fall Product Program materials are available for pick-up locally from the GSAK office or you can request them to be mailed to you. Please pick up your troops Fall Product Program materials by September 20 if you have requested in person pick up.
