### Fall Product Program News

The Fall Product Program has begun! It is an easy, fun way to earn startup funds for your troop's activities at the beginning of the Girl Scout year. Don't miss out on all the fun! Here is the latest news for how to participate.

Girl Scouts started selling Fall Product on Friday, September 13th. Remind girls to set up their storefront and create an avatar through [M2](#). Avatars can be as creative or simple as they like. Girls can have fun expressing themselves by creating their avatar.

\*Troop leaders please note, that girls have to be registered for 2025 to participate in the Fall Product Program.

#### Fall Product Mascot

In case you did not hear, the Fall Product theme for 2024 is "Embrace Possibility" and the mascot is the Asian Elephant. Our annual mascot naming contest has started. Encourage your Girl Scouts to put on their thinking caps to come up with some creative naming ideas. Visit our Facebook page and comment with your proposed name. There are already quite a few impressive name suggestions. Keep them coming! The contest closes September 30th.

#### Fall Product Materials

Fall Product Program materials are available for pick-up locally from the GSAK office or you can request them to be mailed to you. Please pick up your troops Fall Product Program materials by September 20 if you have requested in person pick up.
