Cookie Program Updates

The gsLearn training series is available to all Service Unit and troop cookie managers. It is required that you complete the training series for your troop to participate in the 2025 Girl Scout Cookie Season. If you need help logging on to gsLearn please contact our office at (907) 248-2250 or customercare@girlscoutsalaska.org.

Cookie materials will be available soon! Troop cookie program manuals will be distributed to service unit cookie managers as soon as they arrive at the office. Look on Rallyhood and in your email for communication about in office pickup for local troops. Troops will receive troop cookie program manuals, paper order cards, and receipt books from their service unit cookie manager. Reach out to your membership specialist if you are unsure of who your service unit cookie manager is.

It is not too late to get started! Every troop is still able to participate in the Girl Scout Cookie Program! To participate – let the council know who your troop cookie manager is, and we will assign them the required training on gsLearn.

Service unit cookie rally kits have been shipped.
