### Pending Cupboard Orders – Now Open!

Another great cookie year is in full swing. Thank you all for your initial order submissions. Please remind your Girl Scouts (and families) that they can continue to work toward their goals and pick up secondary cookie orders at your local cookie cupboard when cookies arrive later this month.

You can request to be among the first to pick up secondary orders from the council cookie cupboard by submitting a "PENDING CUPBOARD ORDER" today! This option has been opened early in ebudde! Pending cupboards orders will be filled in the order they are received as soon as the cookies arrive.

An important note – this year a few less cookies will be arriving at our Anchorage cupboard due to last year’s overage. If there is a large demand from pending cupboard orders, we will secure a restock for the cupboard. We need your help to place orders only for cookies that you will pick up to ensure we do not spend money on cookies not being sold – this is money for our Girl Scouts! We anticipate the Anchorage cupboard being stocked immediately after initial orders are delivered to our service units.

If you need help placing a pending cupboard order, please see the training “Getting more cookies” in gsLearn, contact your service unit cookie manager, or email [customercare@girlscoutsalaska.org](mailto:customercare@girlscoutsalaska.org) for assistance.

Also, keep your eye out for information about upcoming contests and more in the coming days!

Thanks again for all you do to make the Girl Scout Cookie Program a success.

### Cookie Program News

**Troop Site Setup**  
Digital Cookie Troop Site set up began February 1. Troop sites began taking orders on February 1 as well. Troop sites are not listed in the national cookie finder until National Girl Scout Cookie Weekend. Remember, troop sites must be set up before you can use them to process credit cards at cookie booths.

**Initial Order Rewards**  
Initial order rewards ship separately from cookies and may or may not arrive at the same time as cookies. Your service unit cookie manager will let you know when initial order rewards are ready to be picked up.

**Decorate & Elevate**  
Cookie booths are coming up quickly! Start thinking now about how your troop will participate in the Decorate & Elevate Program. Encourage girls to start planning now how they will decorate their booths to increase sales. This years themes are "Embrace Possibility" and "Unbox the Future."

### Rallyhood

If you have not heard, Rallyhood is here! Emails to join Rallyhood have been sent to Service Unit and troop leaders to set up their Rallies. Make sure to check your email and join in!

Rallyhood is a wonderful way to connect, share photos and information and stay in the know about all things Girl Scouts of Alaska related.

We’ll be posting Cookie Program updates on Rallyhood. But don’t worry! We will continue to send out our weekly Cookie Break via email as well.
