Cookie Program News

Digital Cookie App
Remember, the Digital Cookie App opens when cookies arrive in Alaska.

Travelling troops
Junior troops and above who wish to travel in 2025 or 2026 may opt out of cookie rewards for additional proceeds. Intent to travel paperwork and the rewards opt out form are due February 1.

Queue-it
This weekend is expected to be a high traffic weekend for Digital Cookie. To prevent too much traffic to the site at one time, GSUSA will be using Queue-it at peak times. Customers may experience wait times of 30 seconds to a minute when accessing a Girl Scouts site, only if national traffic to Digital Cookie has passed certain levels. This system was in place last year as well, and we did not have any reports of issues.

Cookie Booth Sign-up
Cookie Booth sign-ups dates will be announced once most of our booth partners have confirmed dates and times with us. Right now, we are still waiting for many confirmations. We hope to give you more information soon.

It is not too late to get started!
Every troop is still able to participate in the Girl Scout Cookie Program! To participate – let the council know who your troop cookie manager is and we will assign them the required training on gsLearn.

Rallyhood

If you have not heard, Rallyhood is here! Emails to join Rallyhood have been sent to Service unit and troop leaders to set up their Rallies. We encourage all service unit and troop cookie managers to join our volunteer cookie rallies. Make sure to check your email and join in! If you need help joining contact Maya at mnarang@girlscoutsalaska.org.

Rallyhood is a wonderful way to connect, share photos and information and stay in the know about all things Girl Scouts of Alaska related.

Don't worry! We will continue to send out our weekly Cookie Break via email as well.

Fall Product News

Rewards have arrived at most service units and are ready to be picked up! Your service unit product manager will let you know how to pick up your rewards.
