Login to eBudde first - before Digital Cookie!
Troop cookie managers must login to eBudde before Digital Cookie. Digital Cookie will not activate until after troop cookie managers have logged into eBudde for the 2025 season.

gsLearn required training available
The gsLearn training series is available to all service unit and troop cookie managers. It is required that you complete the training series for your troop to participate in the 2025 Girl Scout Cookie Season. If you need help logging on to gsLearn please contact our office at (907) 248-2250 or customercare@girlscoutsalaska.org.

Cookie materials are available
Troop cookie program manuals have been distributed to service unit cookie managers. Troops will receive troop cookie program manuals, paper order cards, and receipt books from their service unit cookie manager. Reach out to your membership specialist if you are unsure of who your service unit cookie manager is. LBB discontinued money envelopes for the 2025 season.

It is not too late to get started!
Every troop can participate in the Girl Scout Cookie Program! To participate – let the council know who your troop cookie manager is and we will assign them the required training on gsLearn to get started.
