Cookie News

More Cookies Are Coming!
We have secured a reorder for more Thin Mints and Samoas! They should be arriving next week. More information to follow!

Spring Fling Cupboard Contest – Still Going!
Place a cupboard order of 10 cases to be entered to win a night at Singing Hills or a Pop Star Party in a Box for your troop! Now through March 24th. Place your order in eBudde or call the council if you are needing help.

Booth Champions Contest - Launching!
From March 21st through 30th if you sign up for a new booth and record it in eBudde on the booth recorder you can be entered to win an activity with the GSAK CEO!

Council Cookie Cupboard Open!
The council cookie cupboard will be open every day, except Wednesdays! If you are local to the council cupboard, please place your order on eBudde. If you are in a rural area and hoping to be re-stocked, please reach out to the council and we will get shipping arranged.

Booths Available for Sign-up!
If your troop cannot attend a cookie booth that you signed up for, please release the booth in eBudde! This takes the booth off of the cookie finder so the public isn't expecting to see Girl Scouts at that time and location. You can release a council booth up to one minute before the booth begins! As troops release booths, they immediately become available to all troops. If your favorite location was taken, check again because it may be open now!

Cookie Ingredients

Customers interested in cookie ingredients? All Girl Scout Cookies are produced by our trusted licensed bakers, who are leaders in their industry. Cookies are made with ingredients that adhere to rigorous food safety standards set by the U.S. Food and Drug Administration (FDA) and other relevant authorities. The GS message point document is posted in the Files tab of the Troop Cookie Manager Rally and the Service Unit Cookie Manager Rally. Please share with your troops.

Cookie Program Updates

Troop Site Setup
Digital Cookie Troop Site set up began February 1. Please set up your troop site if you have not done so already. Remember, troop sites must be set up before you can use them to process credit cards at cookie booths.

Troop Booths
Don't forget, any cookie booth secured by a troop must be entered into eBudde as a troop booth! This allows us to advertise your booth to the public, as well as ensures that your booth is covered by our insurance.

Cookie Dough
This is a reward that needs to be chosen at final rewards selection, it is not accumulated automatically. Find more information [on our website](#).

Girl Orders tab
Don't forget to keep your Girl Orders tab updated! Any Girl Scout with a negative balance needs more cookies assigned to her. [See this training](#), page 23 in the Troop Cookie Manual, or contact council if you need assistance.

Rallyhood

If you have not heard, Rallyhood is here! Emails to join Rallyhood have been sent to Service Unit and troop leaders to set up their Rallies. Make sure to check your email and join in!

Rallyhood is a wonderful way to connect, share photos and information and stay in the know about all things Girl Scouts of Alaska related.

We'll be posting Cookie Program updates on Rallyhood. But don't worry! We will continue to send out our weekly Cookie Break via email as well.
