**CAMP
GIRL
SCOUTS**

Mission

Girl Scouts builds girls of courage, confidence, and character, who make the world a better place.

Girl Scouts of Alaska strives to create an inclusive environment for all campers and our employees. We welcome girls and adults with diverse backgrounds and qualities – including race, ethnicity, national origin, culture, gender identity and expression, sexual orientation, socio-economic status, age, physical, intellectual, and emotional abilities, and religious and political beliefs.

Vision and Philosophy

Our camps are committed to creating a community that helps campers unlock their potential and discover the world, while developing life skills and having fun!

At camp girls will...

1. Embrace challenges
2. Develop healthy relationships
3. Build self-confidence
4. Learn positive values and principles
5. Strengthen their problem-solving skills and resilience

American Camp Association (ACA)

Camp Togowoods and Camp Singing Hills are accredited by the American Camp Association (ACA). We are proud to be Alaska's only accredited camps for girls, meeting standards for health and safety, staffing, and program quality. Our directors are ACA trained and oversee all camp programs operated by Girl Scouts of Alaska. For more information, visit the ACA website at www.acacamps.org.

Camper and staff safety are our top priorities. Safety is at the forefront of every decision we make. Summer camp health and safety protocols are based on current guidance from Girl Scouts of the USA (GSUSA), the American Camp Association (ACA), the State of Alaska, the Centers for Disease Control and Prevention (CDC), and the American Academy of Pediatrics (AAP).

Nothing is more important than the emotional and physical safety of our campers. Our programs allow campers to take healthy risks in a safe, nurturing environment. Our professional staff receive extensive training and are chosen for their maturity and ability to be a positive role model for girls.

Water Safety

At some of our camps, girls participate in canoeing, kayaking, recreational row boating, paddleboarding, and/or swimming. When participating in these activities, we follow all GSAK and ACA guidelines. At any point when campers are in or on the water, they will wear a lifejacket. They will explore our lakes and practice their paddling with our small craft safety-trained staff. When they are swimming, they will be supervised by staff, including a trained and certified lifeguard.

Wilderness Trips

When groups are traveling off-site to an area that is more than two hours from any professional medical care, we take extra precautions following GSAK and ACA guidelines. The staff leading these groups are trained in emergency backcountry procedures, carry satellite communication devices, and at least one staff member is certified in Wilderness First Aid.

Accommodations

If your girl requires additional assistance or supervision to participate fully or safely in camp, contact us at camp@girlscoutsalaska.org or 907-248-2250 before registering to ensure we can accommodate her needs.

At all our camps, campers will get the chance to enjoy and learn through arts and crafts, environmental education, outdoor survival skills, and STEM activities. Campers will make new friends in their groups of similarly aged campers while participating in daily activities together. Campers will make new friends in their groups of similarly aged campers, participating in daily activities together. Special care is taken to ensure that each camper has the chance to learn and grow with challenging activities focusing on character development with skill-based instruction.

All day and overnight camp groups (other than Build Your Own Adventure) will also earn and receive a Girl Scout badge or leadership pin each week, specific to the Girl Scout level they are going into. The specific badge/pin they will earn is listed with the session descriptions.

WELCOME TO DAY CAMP

Day Camp is held at Camp Singing Hills in Chugiak, Camp Togowoods in Wasilla, and at Southeast Camp in Juneau. Each week, camp will focus on a fun theme while allowing campers to participate in activities around STEM, Arts and Crafts, Outdoor Skills, Environmental Education, and more.

Campers will have fun challenging themselves, trying new things, making friends, and working together as a team with their counselors' support. Groups are typically made up of 10-15 campers of similar age.

At camp, girls will...

Discover the leader inside themselves and the world around them

Connect with others

Take Action to make the world a better place

Camp Singing Hills

Camp Togowoods Day Camp

Southeast Day Camp

Each week at Camp Singing Hills, there is a theme. All campers will be participating in activities based on this theme. No matter the theme, all campers will get to experience arts and crafts, environmental education, outdoor skills, boating, and more.

General Sessions

Campers who sign up for these programs will be split into smaller age-based groups. They will participate in all the fun activities around camp, including arts and crafts, environmental education, outdoor skills, boating, and more.

TOGOWOODS OVERNIGHT CAMP

At camp, Togowoods campers will participate in many fun activities, including arts and crafts, nature hikes, environmental education, swimming, canoeing or kayaking, and outdoor cooking. They will have the opportunity to make new friends and grow in small groups of campers of similar ages. Camper groups attend daily activities and meals together. Special care is taken to ensure that each camper has the opportunity to learn and grow through challenging activities, complemented by basic skill-based instruction.

Each week of camp will include sessions around a given theme and specialty sessions, such as intro to wilderness for younger campers, wilderness trips for middle and high schoolers, and leadership programs for high schoolers.

Campers sleep in platform tents (wooden floors, cots, and mosquito netting), bringing the outdoors within reach. Campers have a sense of independence while the counselors live in an adjacent tent, providing security.

(INTRO TO WILDERNESS)

July 12-17 *Giants, Wizards, & Elves: Magical, Mystical, & Real Creatures in the Wild*

Where imagination meets the great outdoors, there is no limit to what campers might find. This week, campers will participate in fun arts and crafts, STEM, outdoor skills, and environmental education activities while learning about animals, large and small, real and imaginary, around Camp Togowoods.

General Groups

Grades 2-8

Meet legendary creatures and embark on enchanted adventures. From building fairy houses to learning about the animals that inhabit the camp, these campers will spend their week discovering what makes each creature unique.

July 26-29 *Build Your Own Adventure*

There is something fun for everyone at camp, whether it is their first time or they have been coming their whole lives. This short week at camp will be a chance for all campers to do some of their favorite camp activities and also to try new ones.

*No badges will be earned this week.

Younger Girls

Grades 2-5

This is camp with choices. Campers get to help design their week by selecting from a variety of activities each day. They can return to their favorite camp traditions or try something completely new and fun.

\$450

Older Girls

Grades 6-12

Campers will design their own camp experience. Before attending camp, campers will provide input on the activities they want to do, and on the first day of camp, they will pick the specific activities.

\$450

Older Girls + Rafting Trip

Grades 9-12

Campers will design their own camp experience. Before attending camp, campers will provide input on the activities they want to do, and on the first day of camp, they will pick the specific activities. Includes a half-day river rafting trip on the Matanuska River with Nova River Runners. For participant and group safety, NOVA has height and weight requirements. Participants must weigh between 100 and 265 lbs. and be between 5ft 2in and 6ft 6in in height. Participants also need to be physically fit and comfortable in the water.
