## **About Day Camp**

## **Day Camp Locations**

Girls at every camp location will spend the majority of time outdoors. Campers will have access to indoor space, pavilions or cover in the case of inclement weather.

Camp Singing Hills is located outside Chugiak and offers a forest and lake with an observation deck. Campers will have the opportunity to go canoeing.

Juneau Day Camp 2025 will be located at Aldersgate United Methodist Church.

Community Day Camps are located in different communities around our council. Camp locations and dates are still being finalized. Once they are finalized, we will be posting in Rallyhood and will be sending emails to members in the community.

## Visiting Camp

Our camp programs are structured to allow campers the opportunity to develop independence and life skills. Parents or guardians visiting provide a distraction that prevents campers from fully engaging in their programs. This means we do not have visitors at camp while camp is in session.

## Volunteering at Camp

We are not accepting volunteers at camp Singing Hills. Every staff person at camp has references and gone through a background check. They have also attended extensive training in camp program, risk management, safety and behavior management. If you live in one of the communities we are running camp in and want to volunteer for the week please email <a href="mailto:camp@girlscoutsalaska.org">camp@girlscoutsalaska.org</a>

#### Camp Staff

Camp staff are enthusiastic, talented and caring trained professions. They are selected for their maturity and ability to be a positive role model for your camper. All staff go through an extensive application, background check and training process.

## Rights and Dignity of Campers and Staff

Girl Scouts of Alaska strives to create an inclusive environment for all campers and our employees. We welcome girls of every race, ethnicity, income level, sexual orientation, and religion.

At camp, girls get a close-up look at compassionate leadership through camp staff. Girls get lots of opportunities to practice by voicing their feelings, making individual choices, and negotiating group decision-making. Staff and campers are expected to interact with each other with care, kindness and respect. Campers not only practice these life skills in the camp environment but learn how to apply them for the rest of their lives.

### Prohibited Items

Girl Scout Day Camp is smoke free, alcohol and drug free, weapon free and pet free.

#### **ACA Accreditation**

Day Camp at Singing Hills is accredited by the American Camp Association (ACA). Accreditation means we voluntarily undergo a thorough review of our operations and meet standards ranging from staff qualifications to emergency management. For more information, visit the ACA website at <a href="https://www.acacamp.org">www.acacamp.org</a>

#### Insurance

Accident insurance is provided for all campers. Girl Scout insurance is not intended to replace the benefits that may be available under a family medical plan. The Girl Scout plan provides secondary coverage only. The camp director will call caregivers or emergency contacts in an emergency or if we have questions about your camper's insurance.

#### Medications

Day camp locations do not have a supply of overthe-counter medications on hand for campers.

If a camper needs medication while at camp, caregivers need to supply all necessary items. All medications, including prescription and non-prescription drugs (vitamins, creams, ointments and other over-the-counter medications) are checked in with the camp director on the first day of camp. All medications need to be in the original container with name and dosage clearly stated. Place medication containers in a zip lock bag with the camper's name printed in permanent ink on the bag. Medications will be kept for the week and returned to campers on the last day.
